WEBCOURSES, WEBINARS & AUDIO CONFERENCES

ACCESSIBLE TECHNOLOGY WEBINAR SERIES - Free sessions
focus on the utilization and design of accessible technology to promote the full and unrestricted participation of persons with disabilities.
http://www.ada-accessibletech.org

ACCESSIBILITYONLINE - Free
webinars on accessibility to the built environment, information and communication technologies, and transportation. Sessions are held on a monthly basis. http://www.accessibilityonline.org/

ADA BASIC BUILDING BLOCKS - Covers the basic principles and
core concepts contained in the ADA and the ADA Amendments Act of 2008 (ADAAA). A free self-paced course or an 8-week moderated course are available. http://www.adabasics.org/

ADA AUDIO CONFERENCES
Monthly sessions provide information on a variety of ADA topics. Each session is delivered by telephone, and real-time streaming text and/or audio, and offers an interactive opportunity for questions and answers.

http://www.ada-audio.org/

ADA LEGAL WEBINAR SERIES
Sessions are designed for individuals who are familiar with the basic elements of the ADA, and cover practical ways the ADA has been implemented, including how the courts are interpreting the law.

http://www.ada-legal.org

AT YOUR SERVICE: WELCOMING CUSTOMERS WITH DISABILITIES
Free self-paced course provides best practices for effectively working and interacting with people who have disabilities.

http://www.wiawebcourse.org/

ADA TITLE I: EMPLOYMENT REQUIREMENTS - Free self-paced course
on Title I covers: 1. who has obligations, 2. who has rights, 3. pre-employment do's and don'ts, 4. reasonable accommodation and more.

http://learn.newenglandada.org/

ADA TITLE II TUTORIAL
Free self-paced course provides the basic principles and core concepts of Title II. Course is designed for ADA coordinators and provides information on their roles and how to address ADA-related requirements.

http://www.adatitle2.org/

ARCHITECTURAL ACCESSIBILITY LAWS
Free self-paced course provides an overview of federal laws that require accessibility in new construction or alterations: ADA, Architectural Barriers Act, Fair Housing Act, and Section 504 of the Rehabilitation Act.

http://learn.newenglandada.org/

OVERVIEW OF DISABILITY RIGHTS - Free self-paced course covers
the four major federal disability rights laws: ADA, Rehabilitation Act, Fair Housing Act, and Air Carrier Access Act.

http://learn.newenglandada.org/

> Educational credits are available for many of the webcourses, webinars and audio conferences.

RESOURCES

ACCESSIBLETECH.ORG
Provides information and resources on accessible information technology and assistive technology focused on business and government.

http://accessibletech.org/
